

# Membership Makes The Difference!

The Academic Booster Club operates to fund and organize special projects, speakers, trips, awards and special recognitions. We encourage everyone to join our efforts to enhance the academic program at Southland. Your membership and support reaches all students regardless of their interests, talents or grade levels. The invitation is open to become actively involved and join our enthusiasm as we continue to enhance the tradition of academic excellence provided at Southland Academy.

The ABC has structured the membership this year to give you something in return for your commitment. The RAIDER Discount Card is being offered as an incentive to join at every giving level. Additional cards may be purchased, and we encourage every family to help us sell these cards to friends and other family members. The sale of these cards will fund many of the planned projects for the year. Other levels of membership include more incentives.

We invite all staff, teachers, students, parents, grandparents and friends of Southland Academy to become members of the ABC. Gift memberships may be made in honor or memory of someone. Throughout the year we will have various fund raising ventures such as this production in support of our mission.

Representation on our board is needed from parents in the elementary through high school grades. Please complete the form attached. The membership form may be turned in at the desk in the lobby, mailed or returned to the school and marked ABC. Thank you for attending today's performance!
